Dear Parents/Guardians

As we end the school year and look forward to a new one, we all hope that PHA guidance will relax over the Summer months to enable us to go back to a normal school day. We are pleased that social distancing has been reduced to 1 metre and moving forward we have been working very hard to make a plan for starting back.

Thankfully we are in the fortunate position of having a large school building, with spacious classrooms and resource areas to accommodate all the children. This means we are delighted to inform you that everyone can return to school on a full time basis whilst still observing social distancing guidance. This may create a very different class setting than the children are used to as we will be moving furniture and using every available space we have.

We realise that the past few months have been very challenging for the children and therefore the week beginning 24th August will be used as an induction week where we can focus on the pastoral needs of the children to ensure a smooth transition back into fulltime education in school, as well as giving them the opportunity of getting used to their new class settings.

More details on the new school year will be issued closer to the start date but please be assured that the school is continually working behind the scenes to ensure that the return of your children into the school building is a safe and happy experience.

In the meantime, we would like to thank you for your support over the past few months which have been very difficult for us all. We look forward to seeing you in the new school year where we can continue to work together in what may potentially be a new norm for us all.

We would like to wish you all a lovely summer break.

Regards

U Farrell

Mrs. U Farrell
Principal
