Dear Parents/Guardians

## Online Support for Children Entering Primary 7

The Department of Education (DE) has proposed a scheme whereby all current Primary 6 children<sup>1</sup> and their parents<sup>2</sup> may access online learning programmes in Numeracy and Literacy.

Children will require access to a tablet, laptop or smart phone to access the programmes. **Parental engagement with this scheme is optional.**

There are many online support materials, however, one commercial programme that could be used is MathematicsMastery.<sup>3</sup> This programme contains numeracy and literacy activities.

As with the use of any online programme or application it will be important that parents consider both appropriate levels of screen time and their child's online safety. Parents may find the EA online safety guidance material useful:

<https://ineqe.com/safeguarding-hub/>

<https://www.saferinternet.org.uk/advice-centre/parents-and-carers>

In addition the '[Supporting Learning](#)' material available on the Education Authority (EA) website and specifically EA designed material, link directly with Northern Ireland Curriculum, provides reinforcement and a reminder of the key numeracy and literacy concepts across Key Stage 2.

## MATHEMATICS MASTERY:

**Mathematics Mastery** provides a structured programme for **numeracy and literacy** and step by step guides for parents.

Parental access to the programme is straight forward, there is no need to register just access the '**Free Covid-19 Resources**' at the top of the **Mathematics Mastery** homepage:

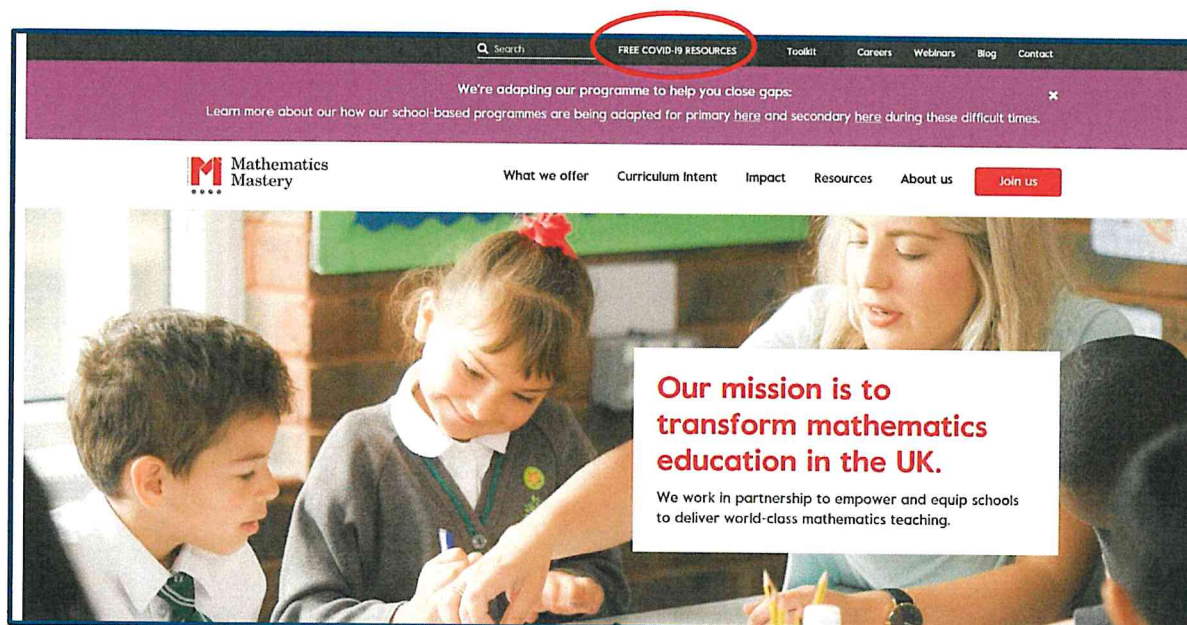

<https://www.mathematicsmastery.org/>

---

<sup>1</sup> Those children enrolled in year 6 2019/2020

<sup>2</sup> Parents includes guardians / carers

<sup>3</sup> These programmes are being suggested to support virtual learning; however, neither programme is endorsed by DE or ETI. They are intended to be helpful to children in the context of a very challenging learning environment brought about by Covid-19.

There are two maths packs for each year group, one has the guidance pages and the other the pupil facing resources. Parents need to access both packs as the pupils' packs do not make sense without the guidance. To reduce printing, the guidance packs can be accessed digitally as they contain embedded video links.

There are also two literacy packs with the guidance included.

#### **Year 5 [approximately equivalent to year 6 in NI] printable packs**

- [Maths Year 5 Weeks 1-4 Guidance pack](#) (easy for parents/guardians to guide learning)
- [Maths Year 5 Weeks 1-4 Pupil pack](#)
- [Maths Year 5 Weeks 5-9 Guidance pack](#) (easy for parents/guardians to guide learning)
- [Maths Year 5 Week 5-9 Pupil pack](#)
- [English Year 5 Workbook \(week 1-4\)](#) (guidance included)
- [English Year 5 Workbook \(week 5-9\)](#) (guidance included)

We hope this is of use to you.

Yours sincerely

*U Farrell*
