Dear Parents/Guardians

schoolmoney

We are delighted to inform you that we have recently signed up to the online payment system **SchoolMoney**. This means that all school meals will be booked and paid for online in advance from the start of the new school year.

This new payment system will benefit both us as a school and you as a parent. Not only will you be able to pay for school meals from the comfort of your own home but you will also be able to access your account at any time to see if there are any outstanding amounts.

SchoolMoney will enable us to experience a more streamlined, cost-effective and efficient payment system in a secure and safe environment.

You won't need to sign up to this system as this is done automatically through the school and as long as you have provided us with up to date contact details we will send you a password within the next few weeks. This password will give you access to your **SchoolMoney** account where you can book and pay for all school meals.

We will be in touch with you in the next few weeks to let you know more details on how to book and pay via the school money website or via the app.

Please note Free School Meals must also be booked in advance.

We appreciate your cooperation in the early stages of rolling this system out to you. In this current climate this new system will not only be more convenient for parents but will also help us to adhere to Government and EA social distancing guidelines regarding schools.

Thank you for your continued support.

Mrs U Farrell
Principal
