

Dear Parents,

Back in April we told you about our idea for making a 'Lockdown Book' in school.

We have attached the original document which outlines the competition details.

All envelopes must be labelled with your child's name and class and be placed in the designated box in the front foyer by Thursday 3rd September to allow for quarantining of all entries before they are handled.

Competition winners will be announced on Friday 11th September.

Good luck!!!!
