WARRENPOINT

18 March 2020

Dear Parents/Guardians

The health, safety and well-being of staff, pupils and our wider school community is the number one priority of our schools.

In recent days we have been put in an impossible position in trying to balance the welfare of everyone yet at the same time comply with legal obligations.

We are currently planning and preparing work for our schools for when the imminent closures are announced. At the moment we await further guidance from DENI regarding the situation next week. We will update you regularly as we have the information.

Thank you for your understanding and support in these difficult times.
