

We would like to make a **Lock Down Book** for display in school.

1. We want you to tell us about

- one thing that you have missed the most about being away from your class or your school
- then tell us one thing you are really looking forward to when we get back to school in September

Don't forget to put your name on it!!

Keep your piece of writing safely in an envelope and bring it into school in September!

Primary 7's could upload theirs onto Google Classroom and send it to your class teacher. Let us know about what you are looking forward to when you go to your new school.

2. Find a nice, smooth pebble on the beach and take it home. Paint on it one word to describe your feelings over Lock Down. Keep it safe and take it into school in September. You can pop it into the envelope with your piece of writing!!

3. When you are out for a walk, take a photograph of some part of nature that you hadn't noticed before. It could be a view, a flower, a bird or animal. Put it inside the envelope too.

We will have prizes for the best envelopes containing all three things:

- **Writing**
- **The 'word' pebble**
- **The nature photograph**
